Hey Lisa,

I was going to send something along the lines of this email below. Let me know what you think I should add or delete. Thanks:

Hello Ragesh, {make sure you send to all of them by putting them in cc}

It was great to meet you and your staff on May 14, 2015 for our Workshare meeting ^{to} we had in your office. I am looking forward to working with you ~~on the Workshare~~ and your staff on these sites. I plan to update the Workshare list to reflect current status as soon as documents are received.
